A very heavy rainfall has visited us the past week, and the river is far out in the bottoms. Some corn and fodder is damaged or washed away.

There are a number of cases of fever in town. Clay City has been fortunate to escape with so little sickness as has been the case this fall.

All the manufacturing industries of the town were shut down Tuesday on the account of the wet fuel which made it impossible to steam for a steady run.

Richard Hunt beat Charlie Sledd for Circuit Clerk in the Montgomery Democratic primary last Wednesday. He is a good man, and is a winner at the general election.

Eld. J. M. Rash concluded his pastorate at the Christian Church Sunday night. Elder Rash is a very able, earnest and effective minister, and the church at this place has prospered under his pastoral care. The church-going people of Clay City greatly regret that Bro. To Get Rid of a Troublesome Corn.
First soak it in warm water to soften it, then pare it down closely as possible without drawing the blood and apply Chamberlin's Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequaled. For sale by all dealers in patent medicine.

DIED.

Rodney Littlepage Mize the little ten-year-old son of Mrs. D. C. Bloom, died Wednesday, Dec. 17 of typhoid fever, after an illness of but ten days.

Funeral services will be conducted by Rev. R. A. Irvin at the church this morning at 9 o'clock, and the remains will be taken to the McNahill grave yard for interment immediately after services.

Little Rodney was a very quiet and bright little boy, kindly disposed and one who will be greatly missed by his playmates.

Precious Jesus, so gentle and true
All of our hopes were stored upon you.
In your arms, Rodney softly rests,
After crossing the shadow of death.

Loving Savior, so strong and mild,
Rod will meet you with a smile.
Now, Rod suffered all he can;
Thou receive his out-stretched hands.

Little Rodney, how kind and sweet;
Asleep in Jesus, thou shall sleep.
Jesus, sometimes will close the race—
We want to see your smiling face.
Brother.

To Morphine From Doctor's Orders.

Habit Worse Than the Disease.

Dr. Miles' Nervine Cured Me.

When the nervous system has been shattered by the use of deadly drugs there is nothing to equal Dr. Miles' Nervine in restoring it to health and normal activity.

"I feel so grateful for what Dr. Miles' Restorative Nervine has done for me that I must tell it for that part of humanity that suffers as I have. During the three years I suffered from nervous prostration I found no relief except when doctors gave morphine. To get rid of suffering I took morphine myself as it was the only thing that would give ease, and now you, who point with scorn at morphine using, how could you, when in such agony, knowing it about the only thing that would give relief, resist it? I knew it was a terrible habit and I knew of its deadly grasp, but I never fully realized its significance until I had used it a number of months. Oh, the misery of being addicted to such a habit. I resolved then and there to quit it and resolved I would never be a slave to any such demon. About this time I happened to notice Dr. Miles' Restorative Nervine advertised and ordered a bottle. After using five bottles I can truthfully say I am cured of using morphine. Now, however much persons may doubt it, God is my witness I am cured. This testimonial is unsolicited but I feel it my duty to give it for the benefit of the suffering."—MATTHEW PHILLIPS, Prescott, Ark.

He said, "I was telling my troubles to a lady friend, who said 'Chamberlain's Colic Cholera and Diarrhoea Remedy will put you in condition for the party.' I bought a bottle and take pleasure in stating that two doses cured me and enabled me to have a good time at the party." Mr. Snell is a resident of Summer Hill, N. Y. This remedy is for sale by all dealers in patent medicine.
